MAIN OBJECTIVE OF THE SEMINAR

To provide a platform for interactive dialogue amongst fire safety and prevention practitioners and professionals in order to contribute to the national fire risk reduction agenda.

POSTER EXHIBITION

A poster exhibition will be on display throughout the seminar and will include a selected number of examples to demonstrate various aspects of the seminar's themes. Initially you are invited to register your interest by submitting proposals for projects that you would like to be considered for the exhibition. If selected, you will be asked to provide text, images and drawings from which the exhibition designer will create the exhibits. If you would like to propose any projects for the exhibition please visit the seminar website:

[www.ndmc.gov.za/ seminar](http://www.ndmc.gov.za/seminar)

The poster exhibition will be formally opened at the end of the first day of the conference.

Key dates:

15 January 2018 – Submission of proposals
15 February 2018 – Submission of photographs and architectural plans for exhibit|

PARTICIPATION IN THE SEMINAR FROM 27 FEBRUARY 2018-02 MARCH 2018

Participation is open to all who have a professional interest in the themes of the seminar, and may include:

- Fire Safety and Prevention officers;
- Fire services practitioners;
- Media officials;
- Fire risk assessors;
- Fire technology students and researchers;
- Officials involved in transportation of Dangerous Goods
